Dear Kindergarten Parents:

Welcome to Quigley Elementary! It promises to be an exciting year as your child enters Kindergarten.

The first weeks in September are geared to making sure your child experiences a positive introduction to their schooling. We have found the gradual entry process allows children to adapt more easily to learning the kindergarten routines. This sets them up for a positive start to an important first year of school.

Your child will have the opportunity to experience the Kindergarten classrooms on Tuesday, September 5 or Wednesday, September 6, and then come for short periods on Thursday, Friday, Monday and Tuesday. (They will find out their permanent teacher on the morning of Friday, September 8). Each day you can meet outside the Kindergarten doors across from the playground! The first "full" day of Kindergarten will be Wednesday, September 13.

We have set out the full schedule for gradual entry on a separate page. In June a letter was sent home indicating which group your child is in. If you are unsure of which group your child is in please call the school.

Please attend the sessions noted for your group only!

If you have moved over the summer, or choose not to attend Quigley Elementary school please let us know – the best way would be to email us at qge@sd23.bc.ca. The school office is now open.

Yours truly,

Desmond Sjoquist

Principal
